## FOR COUNTY CLERK

WILLARD D. TUCKER

Mr. Tucker takes this method of announcing to the many readers of the RECORD, his candidacy for this important office. Having been a resident of the county for 40 years it is believed that he needs no extended introduction, but a few words may not be out of place.

His career has been that of a farmer, teacher, builder and newspaper publisher. A term as a soldier in the civil war may be deemed worthy of notice by old soldiers and other patriotic citizens.

Favorable consideration from all voters, regardless of party, will be appreciated. Party labels and partisan prejudices ought not to cut much figure in local matters, when other and real qualifications are satisfactory.

It is impossible for a candidate to see all of the voters that he would like to without too large expense, so it was thought appropriate to reach them through the columns of the popular and largely circulated newspapers of the county.

## COMMUNICATED.

EDITOR OF ALMA RECORD,  
Alma, Mich.

Dear Sir:

Would not a musical organization be a good thing for Alma? It occurs to me that a chorus class of from fifty to one hundred voices would be a very suitable organization for the winter months, and an effort will be made to organize such a class.

Music is beneficial in many ways and every town should have an organization of this sort. A society of this character could take up some of the high class music and with a competent director could render two and perhaps three, concerts between now and the middle of May, much to the edification and improvement of the educational tone of Alma. The object would not be money making, but purely entertainment and educational in its aim.

We would respectfully request all those interested in such an organization and who are willing to join, would drop a card in the office notifying me of the fact.

Yours truly,  
E. P. FELCH, Sanitarium.

## CARD OF THANKS.

We wish to extend our sincere thanks to our friends and neighbors for their kindness in our recent bereavement, especially the Lady Macabees and the Elwell school for their beautiful floral offerings.
